CAMPAIGN PRIORITIES

EDUCATION

By fulfilling our vision for Education we can provide a center for training in theology, evangelism, and cultural issues, continuing Coral Ridge's legacy of equipping the saints for the work of ministry. With this infrastructure in place, we can transform how Christian education occurs in the 21st century. We will begin a movement towards biblical literacy and the integration of faith and culture that leads to a faith in the public square.

NEXT GENERATION

There is an increasing lack of relevancy of the church to the next generation. The number one factor that keeps young people connected to the faith is having a biblical worldview. We must make children's, youth, and family ministry a priority to reverse the trends we are seeing in society today. By fulfilling our vision for Next Generation, we can lead in this critical area, equipping families at every stage of life. With a focus on next generation ministry, our children and youth can not only be taught the message of the Bible, but will be equipped to make a difference for the Kingdom of God in every sphere of life.

FELLOWSHIP

In 1984, the Miami Herald coined the term "megachurch" when discussing the operations of Coral Ridge. The first of its kind, Coral Ridge was a unique space designed to facilitate reaching and connecting with the lost. Today, providing welcoming spaces for organic, intentional gathering is necessary in order to break the trend of isolation. By fulfilling our vision for Fellowship, we can create a space that allows us to connect with visitors and foster community within the church body.

WORSHIP

By fulfilling our vision for Worship, we can create three distinct spaces for Worship and the Arts that are connected to the past yet reflect the present. A brand new contemporary worship center and improved Sanctuary and DeVos Chapel will continue to bring worshipers into God's presence for decades to come, both in person and through our media outreach.

LETTER FROM PASTOR ROB

For more than 60 years, Coral Ridge Presbyterian Church has faithfully proclaimed the Gospel, standing for truth and seeking to bring hope and renewal to our broken culture. As Billy Graham said, “Coral Ridge has become a phenomenon in the Kingdom of God that is being followed by churches all over the world.” We praise God for what he has done and now look forward to the future with great anticipation. It has been over 30 years since our church held a vision campaign to build for the future. I believe the time is now, to recommit ourselves to the ongoing work of God at Coral Ridge.

The Generation to Generation campaign is an important step in realizing our vision to equip Gospel-centered, culture-shaping Christians. As we look to the future, we must dare to dream again, to believe that God will do something great at a key moment in the life of our church, our city, and our world. May this be our defining moment as we partner with God to make Him known from Generation to Generation.

For Christ and His Church,

Rob Pacienza, Senior Pastor

CAMPAIGN PILLARS

PURPOSE

Fulfill our vision to equip Gospel-centered, culture-shaping Christians from **Generation to Generation**.

PRIORITIES

Countless statistics and studies point to the alarming reality of a mass exodus from the church by the next generation. The Generation to Generation Capital Campaign seeks to correct this trend by equipping our people with a biblical worldview, and providing the tools to shape culture in the public square.

POTENTIAL

It's time that we embrace God's calling for Coral Ridge to lead the way in this cultural moment as a church that stands for truth and remains committed to advancing the Kingdom through the Great Commission and Cultural Mandate. Coral Ridge has done it before, and by God's grace, we can do it again. Will we allow the world to shape us or will we shape the world? The possibilities are truly endless! **Generation to Generation is a culture-shaping movement.**
