CORAL RIDGE KID'S CHOIR Join us!

Does your child love to sing? We believe that instilling the love of God's Word through music is especially valuable for our young children. We have opportunities for children to sing in Sunday morning worship as well as in our annual Concert Series.

Registration is now open for the Fall 2023 Kid's Choir. Participation in Kid's Choir means your child can commit to Thursday practices, two Sunday services, and the Christmas Concert (optional). Please read the Choir Calendar and Logistics on our website before registering.

We're looking forward to another amazing Kid's Choir!
