

CORAL RIDGE CHILDREN'S CHOIR

JOIN US!

Does your child love to sing? We believe that instilling the love of God's Word through music is especially valuable for our young children. We have opportunities for children to sing in Sunday morning worship as well as in our annual Concert Series.

Registration is now open for the Spring 2025 Children's Choir. **Participation in Children's Choir means your child can commit to Thursday practices, Palm Sunday Morning (both services), and the Patriotic Concert. Please read through this document before registering.**

We're looking forward to another amazing year in Children's Choir.
