CORAL RIDGE PRESBYTERIAN CHURCH YEAR IN REVIEW

“Our Ema moms have been so blessed by the Coral Ridge community stepping up and adopting them into their families. Their gifts of food, time, friendship and support have been invaluable.” - Charlee Sherry, Founder of Ema

“Coral Ridge immediately answered the call regarding the need for housing in Broward County. Your church is leading the way in South Florida.” - Nancy Robin; Executive Director, Habitat for Humanity South Florida

“Now that Coral Ridge has trained our leaders in Evangelism Explosion, we are excited for those leaders to train the rest of our church, including children! Our goal is to visit every single home in Sandino to share the gospel in the next six months.” - Pastor Ramon, Sandino, Cuba

“Let this be written for a future generation, that a people not yet created may praise the Lord.”

Psalm 102:18

a note from Pastor Rob

In a year filled with uncertainty, anxiety, division, and fear, Coral Ridge continues to bring hope to the hopeless. We seek to be a place where the lost can experience God, where the hurting find healing, and where the weary find rest. Through your generous giving, you are responsible for building the Kingdom of God here in South Florida, and through it, the world.

It is because of you that we can reach the next generation, feed our homeless, see our communities transformed, equip our congregation with a biblical worldview, help restore marriages, and share the good news of Jesus Christ with the lost and those longing for purpose. In light of the generosity we have experienced through Christ, would you respond with a generous gift over and above your regular offering? Your gift will allow our ministry to continue to advance its vision and purpose. All financial gifts must be received or postmarked no later than December 31 in order to receive a tax credit. Giving options can be found on the rear of this report.

As we celebrate our 60th anniversary as a church in 2020, we thank God for His faithfulness, and now look forward by faith to the great things He will continue to do through His people at Coral Ridge.

“We can’t thank you enough for challenging us to read the Bible in a year; it has been so impactful. We have already started again from the beginning.” - Jeannie, Coral Ridge member

Jeff and Baileigh Daoud became members in the spring of 2019. “Getting connected at Coral Ridge has meant the world to us,” said Baileigh. “God led us to join this church because of its gospel-centered mission. We had been looking for ways to contribute our time to further this mission.” Jeff and Baileigh served with the outreach team and our partner ministry Ema. Through this partnership, our Coral Ridge team has been able to provide for families-in-need with groceries, meals, and family fun days. “We are honored that the Lord is working through us to help provide for our community. We are reminded about the ways that **God has blessed us and our responsibility as Christians to share the light of His saving grace with others,**” said Jeff.

Our ministry with the neighboring community of Avondale is continuing to make life-changing impact. “My name is Esther and I am 13 years old. I was invited to Coral Ridge seven years ago by two friends who are a part of the Avondale ministry. Since my first time at church, I’ve called this place home. Being disciplined here has helped me grow closer to God. Being a part of Gangway has helped me give back to my community through volunteering. I have grown so much as a young person and now I better understand how to live for God. **It means so much to me that strangers take the time to invest in Avondale.** It gives me so much joy being at Coral Ridge!”

“My church here in Australia has been closed due to COVID-19. I have been watching your Sunday livestream each week. I am so thankful to be able to worship alongside you!” - Terry; Sydney, Australia

Exciting new growth has been taking place at our church plant in Sandino, Cuba. “Since our partnership began, our congregation has doubled from 200 to 400 members,” said Pastor Ramon. Members from Coral Ridge went to Sandino earlier this year to teach the church how to share the gospel using Evangelism Explosion. Shortly after that training, COVID-19 shut down their church. Since that time, their team has gone door to door in Sandino to share the gospel which has resulted in the tremendous growth. “**Evangelism Explosion has transformed the way we do ministry. Exponential growth is now occurring throughout our region,**” said Pastor Ramon.
